Conversion of Mandya Minor Municipality into a Town Municipality

In forwarding herewith a copy of the resolution of the Mandya Municipal Council re the above, together with a copy of the report No 85/32-33 dated 3/8th October 1932 from the President, I have the honor to state that I agree with the opinion of the Municipal Council and request that in the circumstances set forth in the President's report, necessary sanction of Government may kindly be obtained

I have the honor to be,

Sir,

(a Gazetted Selection)

Letter No 85/32-33 dated 3/8th October 1932, from the President, Municipal Council, Mandya, to the Deputy Commissioner, Mysore District

---

I have the honor to state that Mandya Town was constituted into a Minor Municipal Council in the year 1918 Since then the town has grown in importance, population has increased, new houses have sprung up and the revenues and the expenditure have also increased in a measure Especially after the initiation of the Irwin Canal Project, Mandya, has become the centre of the Irrigation tract An extension has been formed and there is demand for the laying out of additional extensions Several public offices have newly come into existence and the opening of the sugar factory will add considerably to the Industrial aspect of the town All this means that the Minor Municipal Council with its limited powers, responsibilities and resources is not fitted to deal with the complex needs of a growing town

I enclose for favour of information some essential statistics which will bear out the above statements It is therefore very necessary that the Mandya Town should be immediately raised to the status of a Town Municipal Council This subject was conversed by the Municipal Council at their meeting held on 24th September 1932 wherein it was resolved to request the Government through the Deputy Commissioner to enhance the status of the Municipal Council

A copy of the resolution is enclosed for reference I request you to be so good as to obtain the necessary sanction of Government to the resolution of the Municipal Council at an early date
